

## Real Estate (cont) ...

Outsourcing makes perfect sense. Offer your vendors the level of service they seek and require in this very competitive market. Image Creators will take care of your digital photos and virtual tours and showcase your listings all day every day, looking their absolute best. In marketing property successfully it is vital that you make it easy for all potential buyers to access your listings. Make virtual tours and professional digital photos an integral part of your marketing plan.

Use Image Creators in a cost effective way to grow and target potential buyers not just locally but nationally and internationally. Give us a call, you may decide to only have a virtual tour or perhaps just digital stills. Image Creators are happy to work with you and can organize a package to suit you and your clients.

### How does it work?

Simply offer this service to your vendors upon listing their property for sale. Pass an Image Creators business card to your clients. Let them know a representative from Image Creators will contact them to organise their virtual tour and photo shoot. Within 24 to 48 hours you will have access for proofing and display on the internet.

## Accommodation

**We all look forward to planning our holidays.**

Your website has been designed to entice potential holidaymakers to choose your accommodation as their favoured choice. We know people don't buy goods or services - they buy lifestyle or benefits. It is a fact consumers have less time. Potential guest have "been there" feeling. Allow us to put you on show.

### How does it all work?

Simple call or email Image Creators. We will make an appointment with you to carry out your photo shoot. Within 48 hours your virtual tour will be available to the world. It's really that simple.

## Restaurants / Venues

**Can Image Creators help you reach more potential consumers?**

**We think so!**

Consumers love the convenience of virtual tours. This professional created 360° view offers you the opportunity of showcasing your business to the world. As a link on your already enticing web site consumers can plan their special occasion. You can "show" them what a fantastic experience they could have by choosing your venue.

Give us a call to find out just how easy it is. Let us take care of what we do best so you can do the same.

**Image Creators sets out to offer exceptional service and exceptional value for money.**

## Real Estate

**What salesperson doesn't want the edge on the real estate market! Can you afford not to have your listings displayed with professional digital photographs and a 360° virtual tour?**

This is where the team at image creators will make your listings a visually exciting experience for potential buyers. We specialise in virtual tours and digital imagery. With your already professional display on the internet let us offer the feeling of "being there" to your potential buyers. Your listing will be one of the first viewed. As you know the internet is growing rapidly. As buyers have less time to visit all properties they will firstly view those with a virtual tour. By showcasing all your listings this way, buyers will remain longer on your site.

**Free up your valuable time. Do what you do best - List and Sell.**
